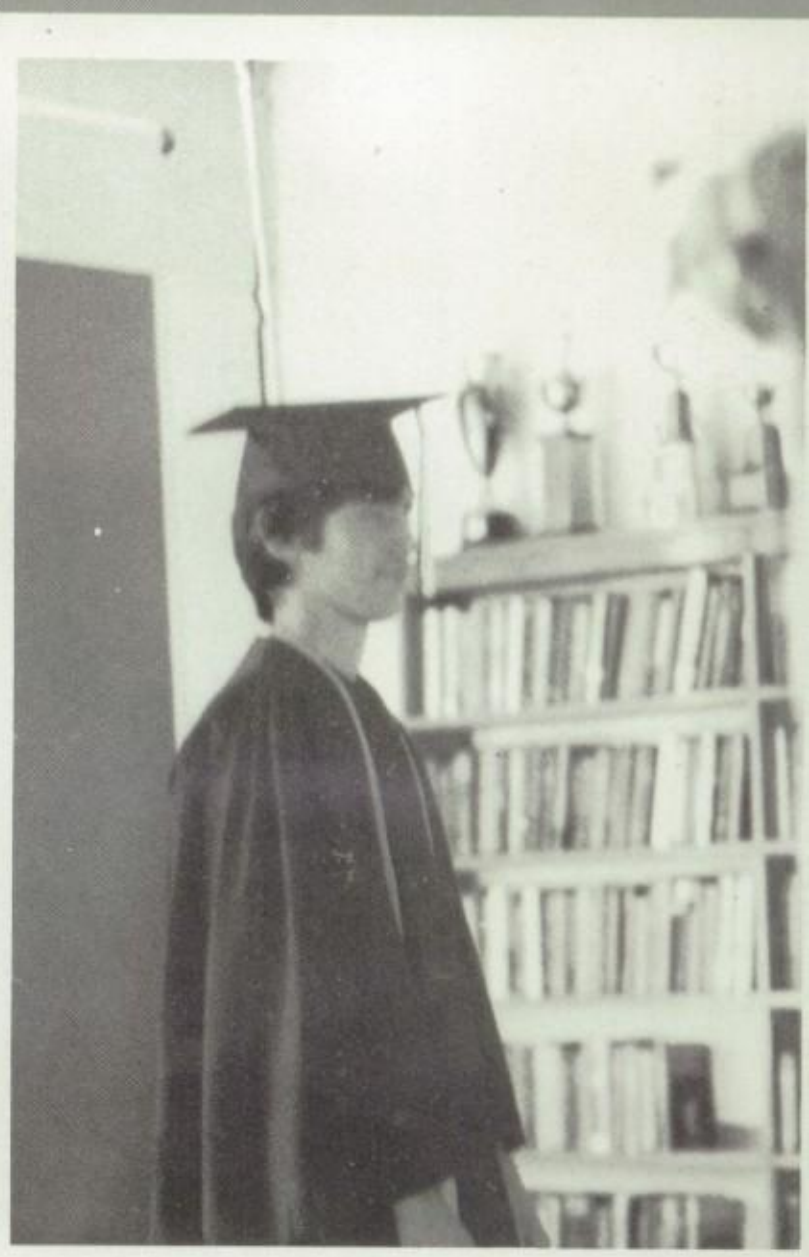
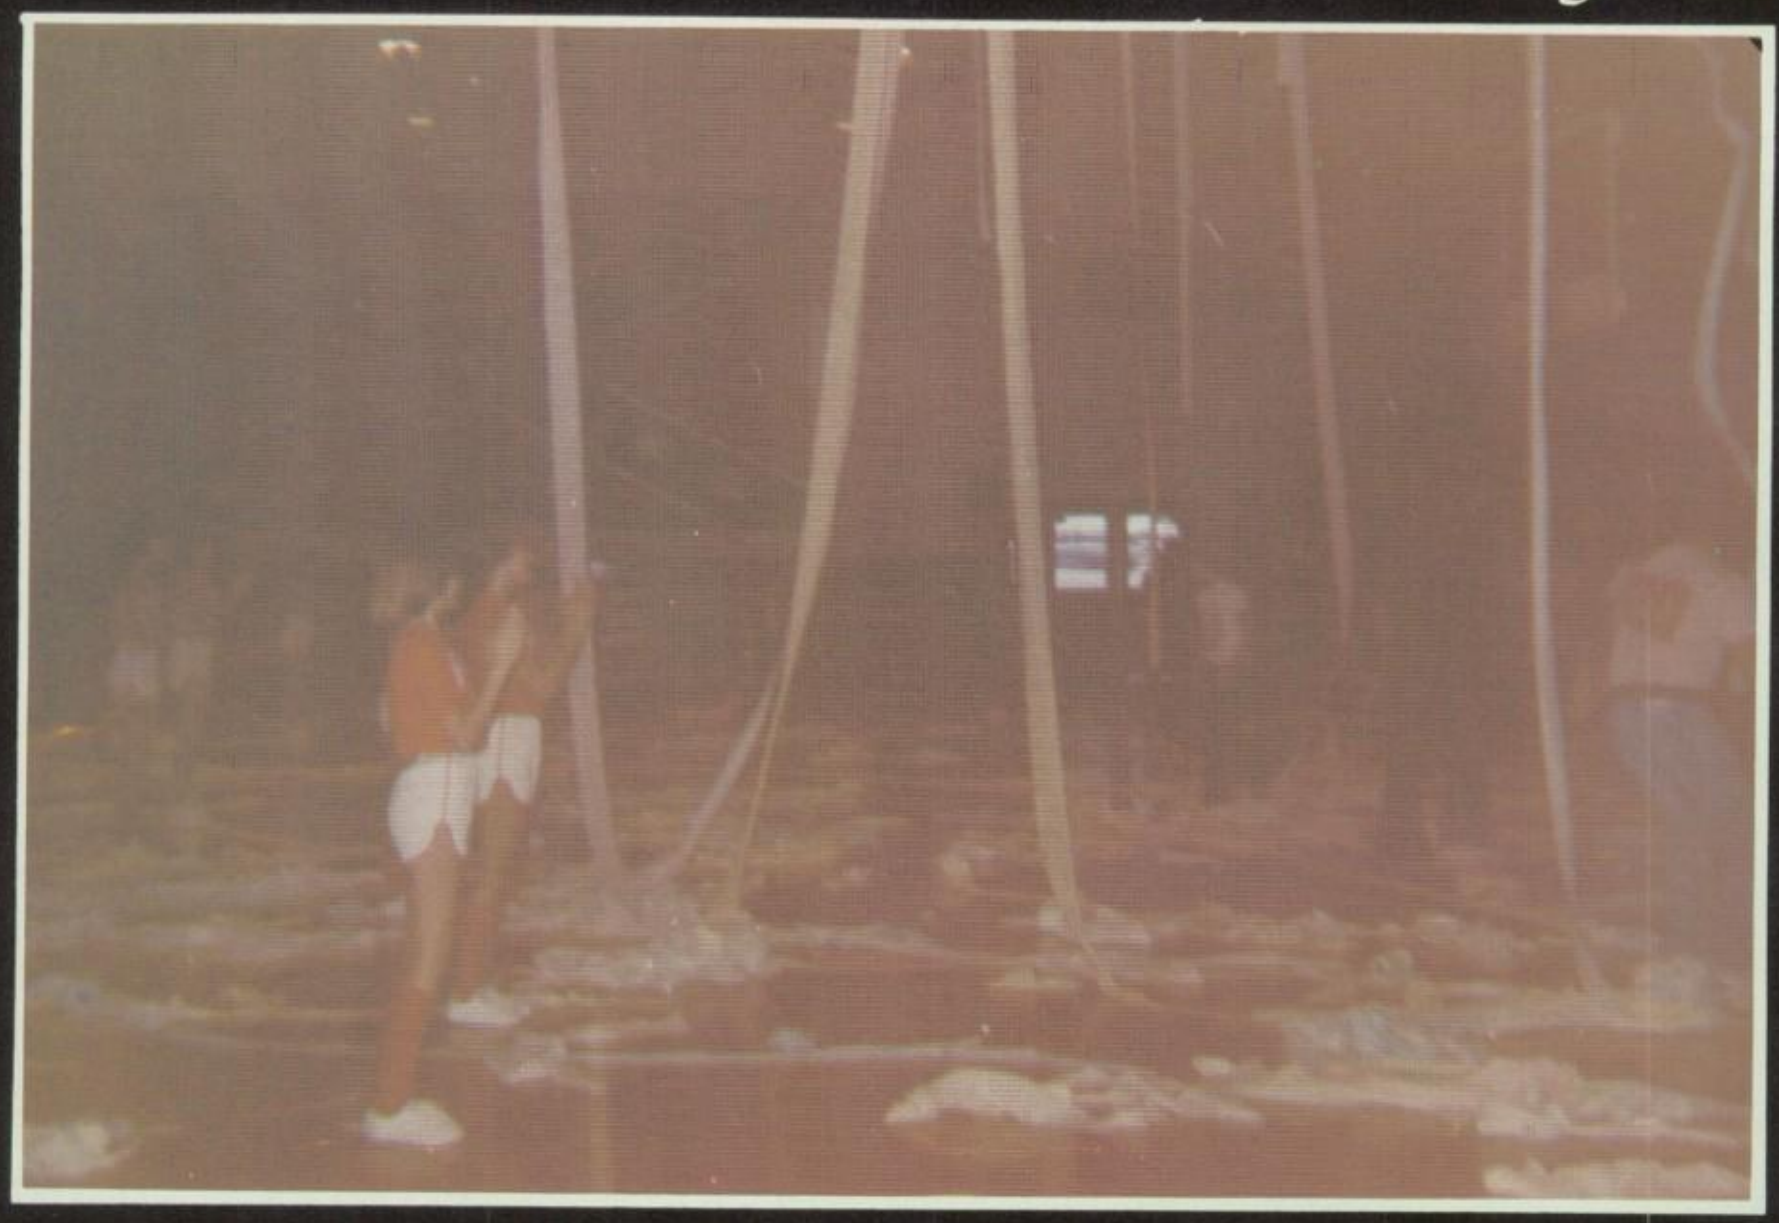
To Talk of Poems and

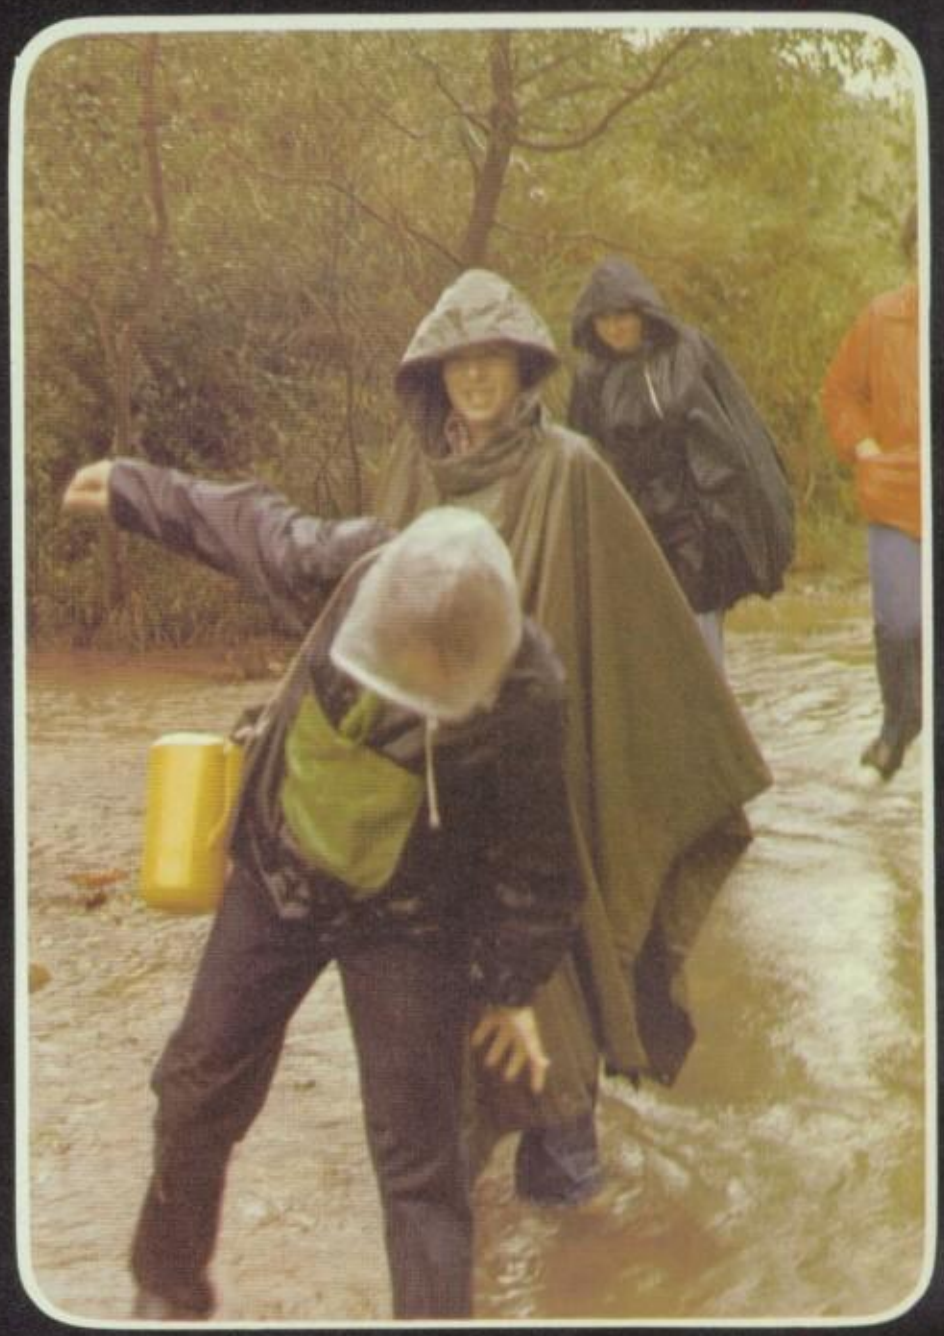


Prayers and Promises . . .

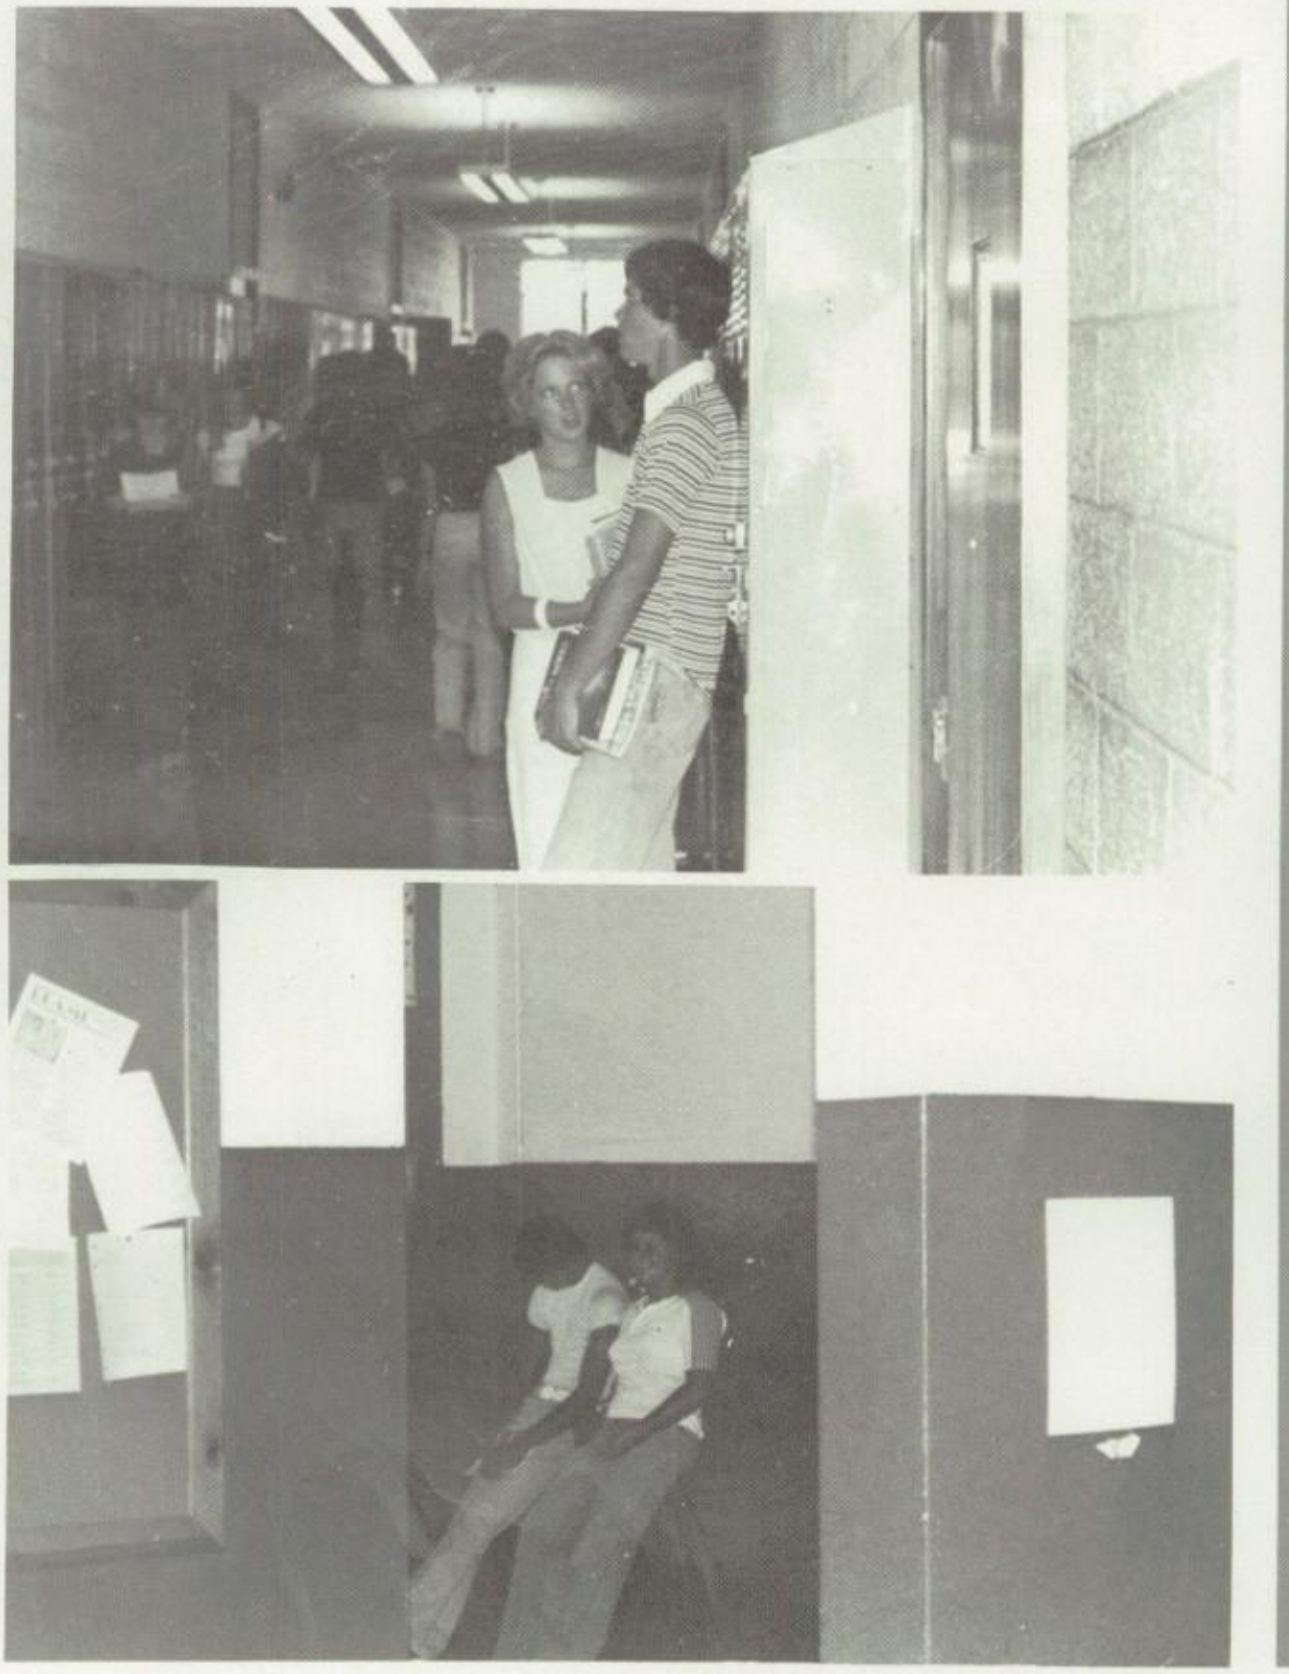
And Things That



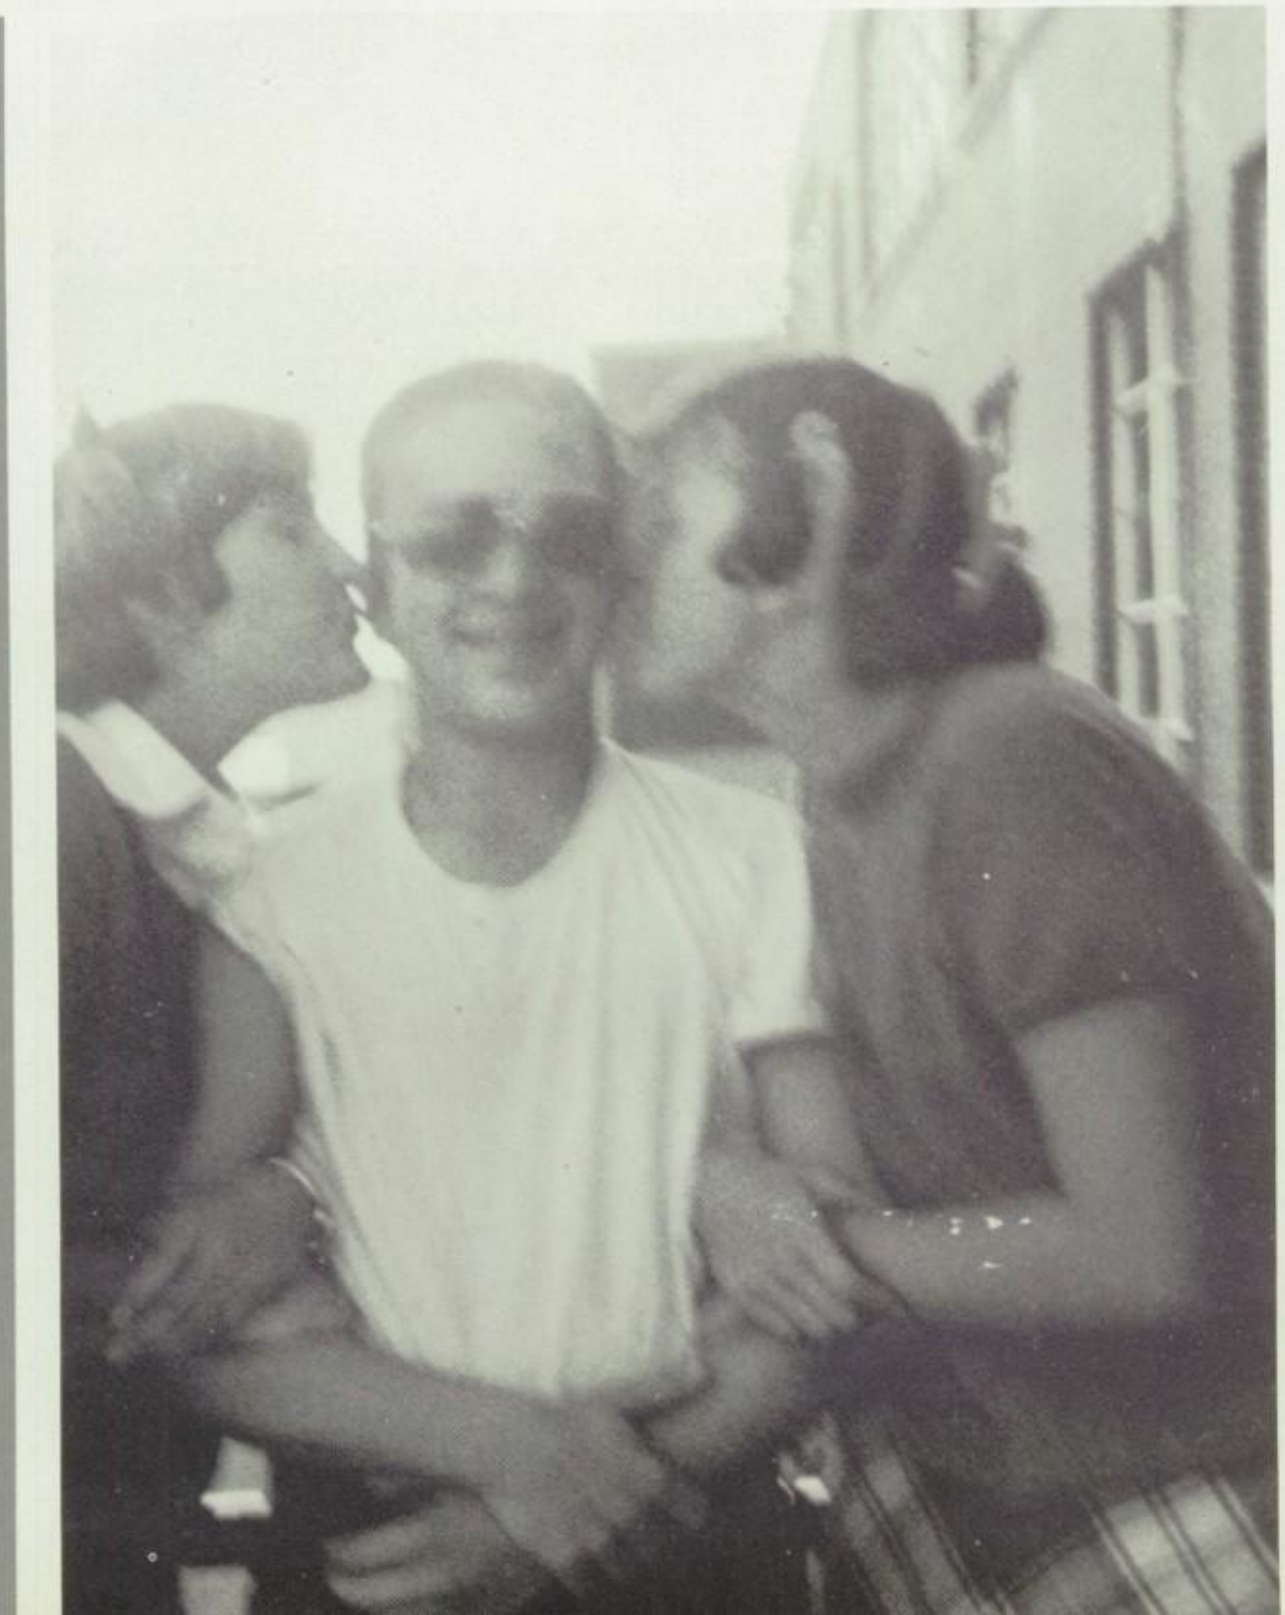
We Believe In . . .



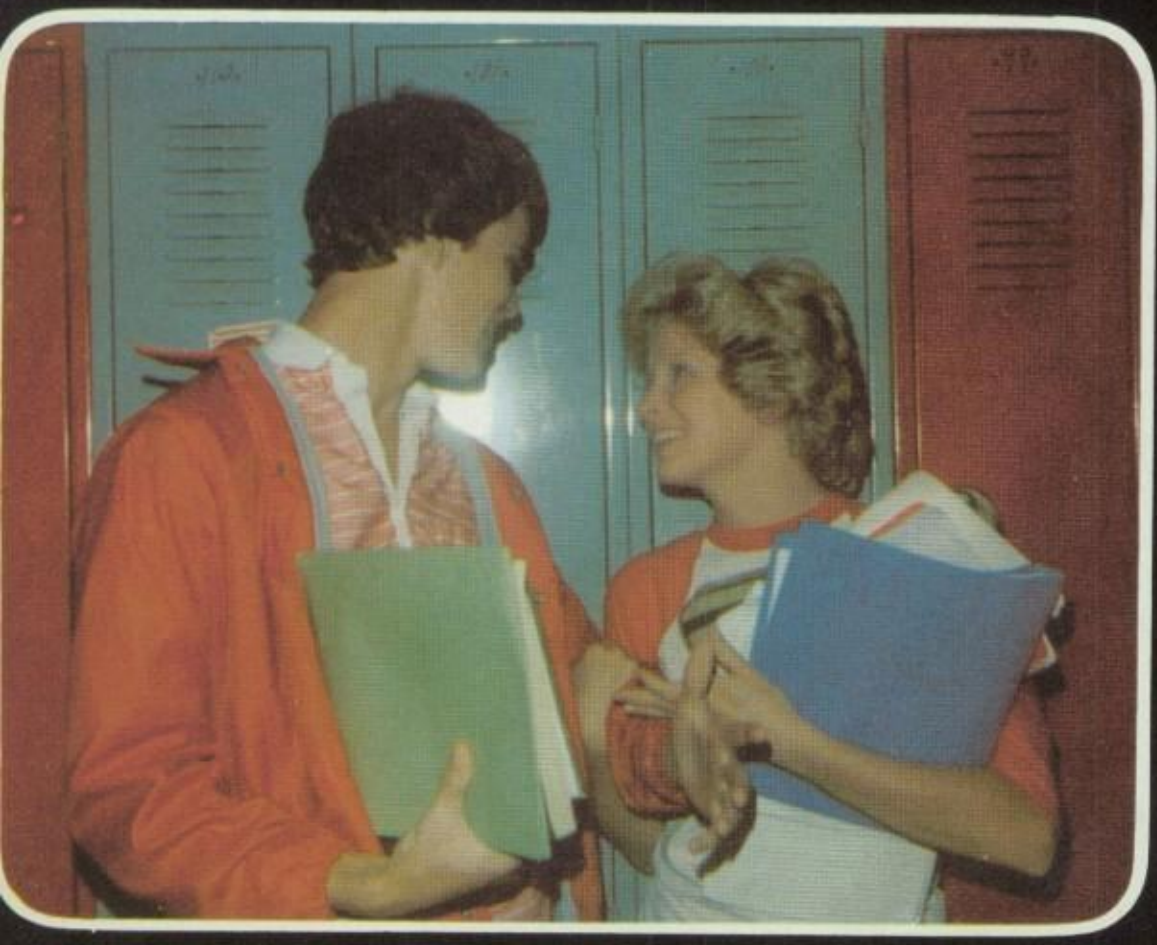
How Sweet It Is



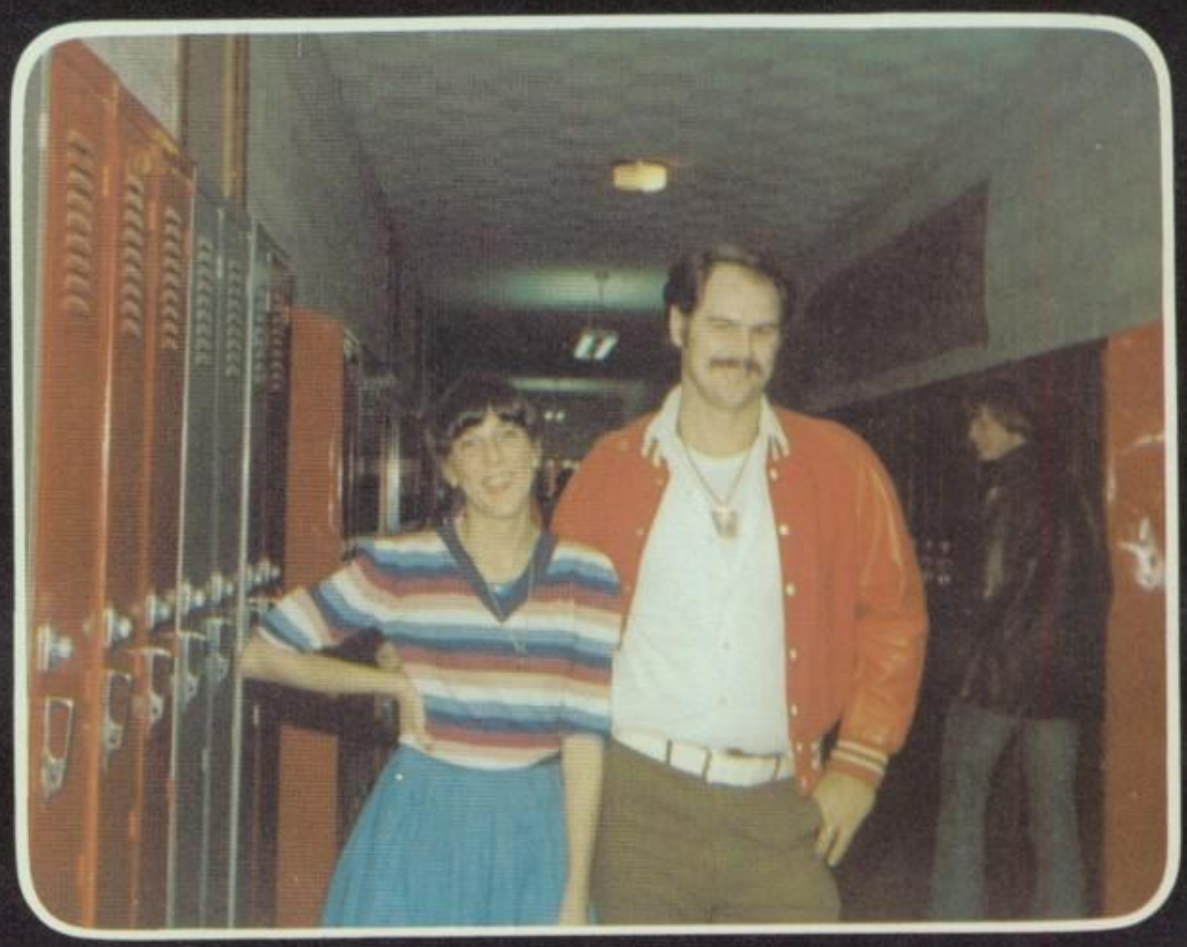
To Love Someone . . .



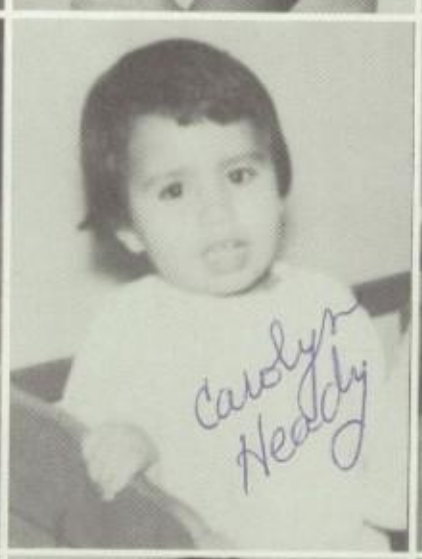
How Right It



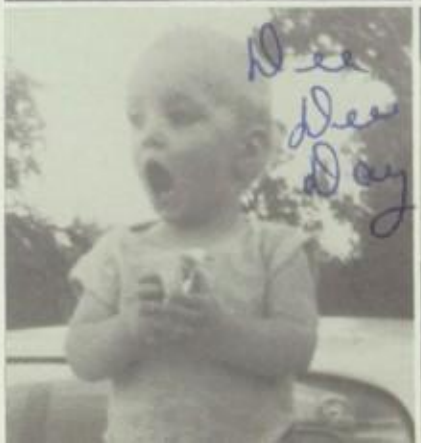
Is to Care . . .



How Long It's Been



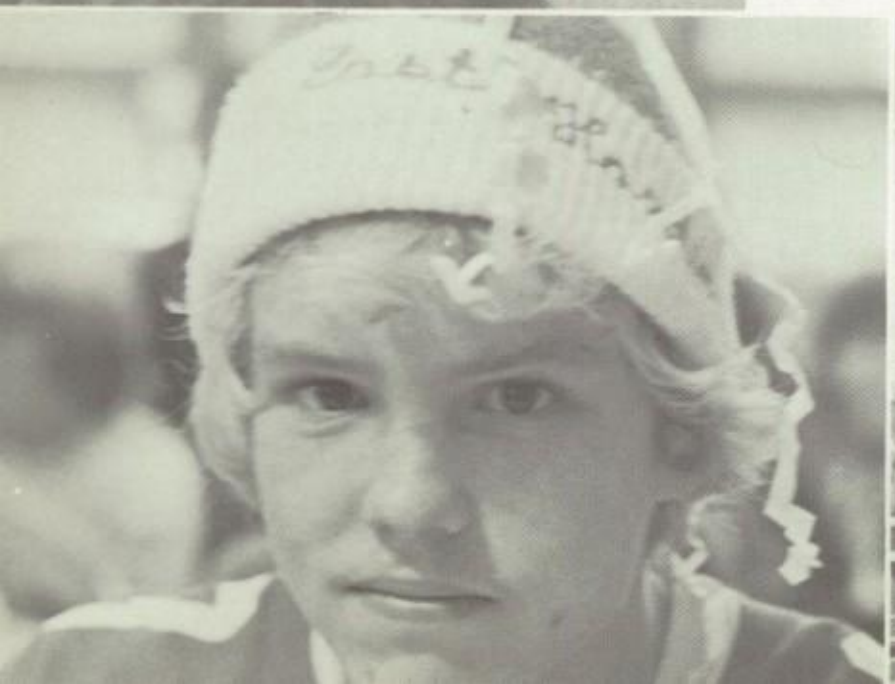
Since Yesterday . . .



What About

Tomorrow?

And What About Our Dreams...



And All the Memories We Shared.

Editor's Message

As we entered East Hardin four years ago, we thought our senior year would never come. But as we face the closing of our Senior year, we should be, and truly are, grateful for all of the opportunities, lifelong friendships, and memories that we have acquired while here at East Hardin.

While working on the yearbook this year, although it required many hours of hard work, we have tried to capture as many of these memories as possible.

We would like to extend our sincere thanks, and appreciation to Mr. Don Baumgardner for his patience and willingness to help make the 1978-79 yearbook the best ever. We would also like to thank the faculty and staff for their contributions which has made our assignment as editors a real pleasure.

We have worked hard and hope we have expressed the feelings of the CLASS OF '79. We also wish much success and happiness to all the Seniors in future endeavors.

Who can you:

hug on a busy street,
tell everything to,
share lunch with,
have an intelligent conversation with,

cry with,
laugh with,
cry over and
laugh at,

sing with,
party with,
drink with,
work with,
study with,
flunk with,
cheer with,
twirl with,

toilet paper with,
back into ditches with,
ghost hunt with,

write notes to,
tell stories to,
call at any hour,
listen to,

share memories with,
stay up all night with,
ride home with,

lead with,
argue with,
make-up with,

Who can you depend on?

Carolyn. this is going to be short and sweet. Over the past year, we have had some ups & downs. But we have always seemed to pull it through. I hope to stay friends for a long time. I might not get to see you any more! But if we don't I just remember all the laughs on the bus.

Carolyn,

This school year would not have been the same without you. I've enjoyed getting to know you as a person and some of the interesting conversations we have had. Good luck to you in whatever you decide to do. Just remember it sure is cold in Alaska.

arolyn:
o a super
ood friend
hat I really thin
lot of. I think you
have a lot going for you.
If you will only let it
happen. Your the first one I
met when I came to this schoo
and your really helped me out a lot
and I thank you for that. I will admit
we had a few rounds but it was fun you
have to admit Carolyn I wish you the best
with whoever, if thats who you really want and
I hope it all works out for you. Think
of me in this warm climate when your up
there freezing to death. Our senior years
almost over and were ready to go out into
the big bad world and I hope we keep in
touch after school. I think our friendship is
worth more than to say goodbey after graduation.
Love ya always
